Cyber Essentials - Pricing Matrix

V15.02.24

Our Cyber Essentials pricing is based on two components, **the CE Assessment** (based on company size) and **the CE Consultancy Element** (tailored to the level of support you require) to give you a total price.

We offer two tailored consultancy packages to help you get Cyber Essentials ready. To find out more about CE Assessment only packages, visit: <https://iasme.co.uk/cyber-essentials/cyber-essentials-apply-now/>

Work out your Cyber Essentials Package Price in 3 Simple Steps!

1

Calculate your Assessment Price

Prices for Cyber Essentials vary depending on the size of your workforce.

Use the table to help work out your Assessment Price:

Size	Pricing
1 to 9	£320 +VAT
10 to 49	£440 +VAT
50 to 249	£500 +VAT
250+	£600 +VAT

3

Combine your figures

**Once you have the figures for both your
Assessment Price & Package Price, put them
together to work out your total price.**

For example, if an organisation had a total of 21 people in their workforce and wanted the 'Lots of Help' package, their assessment price would be £440 (+VAT) and their package price £500 (+VAT). Making their total price £940 (+VAT).
